

Candidate Privacy Notice

What is the purpose of this document?

AlphaSense is committed to protecting the privacy and security of your personal data. This Privacy Notice describes how AlphaSense and its subsidiaries, affiliates, and related entities (collectively, "AlphaSense," "we," or "us") collect and process personal data about you during the application and recruitment process. This Privacy Notice only applies to job applicants located UK, EU and EEA.

AlphaSense is a "controller" in relation to personal data. This means that we are responsible for deciding how we hold and use personal information about you. You are being sent a copy of this privacy notice because you are applying for work with us (whether as an employee, worker or contractor). It makes you aware of how and why your personal data will be used, namely for the purposes of the recruitment exercise, and how long it will usually be retained for. It provides you with certain information that must be provided under the UK and General Data Protection Regulation (UK GDPR and GDPR).

This Privacy Notice describes the categories of personal data that we collect, how we use your personal data, how we secure your personal data, when we may disclose your personal data to third parties, and when we may transfer your personal data outside of your home jurisdiction. This Privacy Notice also describes your rights regarding the personal data that we hold about you including how you can access, correct, and request erasure of your personal data.

Data protection principles

We will comply with data protection law and principles, which means that your data will be:

- Used lawfully, fairly and in a transparent way.
- Collected only for valid purposes that we have clearly explained to you and not used in any way that is incompatible with those purposes.
- Relevant to the purposes we have told you about and limited only to those purposes.
- Accurate and kept up to date.
- Kept only as long as necessary for the purposes we have told you about.
- Kept securely.

Collection of Personal Data

For the purposes of this Privacy Notice, personal data means any information about an identifiable individual collected in connection with the recruitment process. AlphaSense may collect personal data directly from you, as a job applicant, or may receive personal data from third parties, for example, in connection with a background, employment, or reference check, subject to your consent where required by law. Personal data excludes anonymous or de-identified data that is not associated with a particular individual. We may collect, store, and process the following categories of personal data, which we require/ in connection with our recruiting activities:

- Personal contact details such as name, title, addresses, telephone numbers, personal email addresses, date of birth, gender, qualifications, and employment history.
- Work history and other relevant experience including information contained in a resume, CV, cover letter, or job application.
- Education information including degrees awarded, transcripts, and other information provided in support of the job application.
- Information collected during phone screenings and interviews, including interview recordings.
- Details regarding the type of employment sought, desired salary, willingness to relocate, job preferences, and other information related to compensation and benefits.

- Reference information and information received from background checks, where applicable, including information provided by third parties.
- Information related to previous applications to AlphaSense or previous employment history with AlphaSense.

Use of Personal Data

We only process your personal data where applicable law permits or requires it in connection with carrying out our application and recruitment process, to take steps necessary to enter into an employment contract with you, where the processing is necessary to comply with a legal obligation that applies to us, for our legitimate interests or the legitimate interests of third parties, or with your consent if applicable law requires consent. We may process your personal data for the following legitimate business purposes:

- Identifying and evaluating job applicants, including assessing skills, qualifications, and interests for the purposes of determining suitability for the position for which you have applied.
- Verifying your information and carrying out employment, background, and reference checks, where applicable, subject to your consent where required by applicable law.
- Communicating with you about the recruitment process and your application.
- Keeping records related to our hiring processes, for only as long as appropriate under the circumstances.
- Creating and submitting reports as required by applicable laws or regulations.
- To comply with our legal, regulatory, or other corporate governance requirements.
- Analyzing and improving our application and recruitment process.

In addition to using your personal data for the position for which you have applied, we may retain and use your personal data to inform you about and consider you for other positions that may be appropriate for you with your consent. If you want us to consider you for other positions, you may contact us as specified below under Contact Us and we will retain your personal data for that purpose.

We will only process your personal data for the purposes we collected it for or for compatible purposes. If we need to process your personal data for an incompatible purpose, we will provide notice to you and, if required by law, seek your consent. We may process your personal data without your knowledge or consent only where required by applicable law or regulation.

We may also process your personal data for our own legitimate interests, including for the following purposes:

- To prevent fraud.
- To ensure network and information security, including preventing unauthorized access to our computer and electronic communications systems and preventing malicious software distribution.

You will not be subject to hiring decisions based solely on automated data processing without your prior consent.

Collection and Use of Special Categories of Personal Data

The following special categories of personal data are considered sensitive under the laws of your jurisdiction and may receive special protection:

- Racial or ethnic origin.
- Political opinions.
- Religious or philosophical beliefs.
- Trade union membership.
- Genetic data.

- Biometric data.
- Data concerning health.
- Data concerning sex life or sexual orientation.
- Data relating to criminal convictions or offences.

We may collect and process the following special categories of personal data when you voluntarily provide them, or we receive them from a third party with your consent, when relevant for a particular position to carry out our obligations under employment law, or as applicable law otherwise permits:

- Physical or mental health condition or disability status to determine appropriate workplace accommodations, evaluate fitness for a particular position and to consider whether we need to provide appropriate adjustments during the recruitment process.
- We will use information about your race, national or ethnic origin, religious, philosophical or moral beliefs, or your sexual life or sexual orientation, to ensure meaningful equal opportunity monitoring and reporting and to comply with statutory obligations.
- Previous criminal charges or convictions where relevant for the position.

Where we have a legitimate need to process special categories of personal data about you for purposes not identified above, we will only do so only after providing you with notice and, if required by law, obtaining your prior, express consent.

If you fail to provide personal information

If you fail to provide information when requested, which is necessary for us to consider your application (such as evidence of qualifications or work history), we will not be able to process your application successfully. For example, if we require a credit check or references for this role and you fail to provide us with relevant details, we will not be able to take your application further.

Automated decision-making

You will not be subject to decisions that will have a significant impact on you based solely on automated decision-making.

Data Sharing

We will only disclose your personal data to third parties where required by law or to our employees, contractors, designated agents, or third-party service providers who require such information to assist us with administering the recruitment process, including third-party service providers who provide services to us or on our behalf. We may use third-party service providers for various purposes, including, but not limited to, obtaining employment verification and background checks, data storage or hosting, or to identify and evaluate job applicants, including assessing skills, qualifications, and interests for the purposes of determining suitability for the position for which you have applied. These third-party service providers may be located outside of the country in which you live or the country where the position you have applied for is located.

We require all our third-party service providers, by written contract, to implement appropriate security measures to protect your personal data consistent with our policies and any data security obligations applicable to us. We do not permit our third-party service providers to process your personal data for their own purposes. We only permit them to process your personal data for specified purposes in accordance with our instructions.

We may also disclose your personal data for the following additional purposes where permitted or required by applicable law:

- To other members of our group of companies (including outside of your home jurisdiction) for the purposes set out in this Privacy Notice and as necessary to administer the application and recruitment process.
- As part of our regular reporting activities to other members of our group of companies.

- To comply with legal obligations or valid legal processes such as search warrants, subpoenas, or court orders. When we disclose your personal data to comply with a legal obligation or legal process, we will take reasonable steps to ensure that we only disclose the minimum personal data necessary for the specific purpose and circumstances.
- To protect the rights and property of AlphaSense.
- During emergency situations or where necessary to protect the safety of persons.
- Where the personal data is publicly available.
- If a business transfer or change in ownership occurs and the disclosure is necessary to complete the transaction. In these circumstances, we will limit data sharing to what is absolutely necessary, and we will anonymize the data where possible.
- For additional purposes with your consent where such consent is required by law

Cross-Border Data Transfers

Where permitted by applicable law, we may transfer the personal data we collect about you to the United States and other jurisdictions that may not be deemed to provide the same level of data protection as your home country for the purposes set out in this Privacy Notice. If you are located in the EU, we have implemented Standard Contractual Clauses to secure the transfer of your personal data to the United States and other jurisdictions.

Data Security

We have implemented appropriate physical, technical, and organizational security measures designed to secure your personal data against accidental loss and unauthorized access, use, alteration, or disclosure. In addition, we limit access to personal data to those employees, agents, contractors, and other third parties that have a legitimate business need for such access. We have put in place procedures to deal with any suspected data security breach and will notify you and any applicable regulator of a suspected breach where we are legally required to do so.

Data Retention

Except as otherwise permitted or required by applicable law or regulation, we will only retain your personal data for as long as necessary to fulfill the purposes we collected it for, as required to satisfy any legal, accounting, or reporting requirements, or as necessary to resolve disputes. To determine the appropriate retention period for personal data, we consider our statutory obligations, the amount, nature, and sensitivity of the personal data, the potential risk of harm from unauthorized use or disclosure of your personal data, the purposes we process your personal data for, and whether we can achieve those purposes through other means. We specify the retention periods for your personal data in our data retention policy.

Under some circumstances we may anonymize your personal data so that it can no longer be associated with you. We reserve the right to use such anonymous and de-identified data for any legitimate business purpose without further notice to you or your consent.

If you are offered and accept employment with AlphaSense, the personal data we collected during the application and recruitment process will become part of your employment record, and we may use it in connection with your employment consistent with our employee personal data policies. If you do not become an employee, or, once you are no longer an employee of AlphaSense, we will retain and securely destroy your personal data in accordance with our document retention policy and applicable laws and regulations.

Your Rights in Connection with Personal Information

Under certain circumstances, by law you have the right to:

- **Request access** to your personal information (commonly known as a "data subject access request"). This enables you to receive a copy of the personal information we hold about you and to check that we are lawfully processing it.

- **Request correction** of the personal information that we hold about you. This enables you to have any incomplete or inaccurate information we hold about you corrected.
- **Request erasure** of your personal information. This enables you to ask us to delete or remove personal information where there is no good reason for us continuing to process it. You also have the right to ask us to delete or remove your personal information where you have exercised your right to object to processing (see below).
- **Object to processing** of your personal information where we are relying on a legitimate interest (or those of a third party) and there is something about your particular situation which makes you want to object to processing on this ground. You also have the right to object where we are processing your personal information for direct marketing purposes.
- **Request the restriction of processing** of your personal information. This enables you to ask us to suspend the processing of personal information about you, for example if you want us to establish its accuracy or the reason for processing it.
- **Request the transfer** of your personal information to another party.

If you want to review, verify, correct or request erasure of your personal information, object to the processing of your personal data, or request that we transfer a copy of your personal information to another party, please contact legal@alpha-sense.com.

Right to Withdraw Consent

Where you have provided your consent to the collection, processing, and transfer of your personal data, you may have the legal right to withdraw your consent under certain circumstances. To withdraw your consent, if applicable, contact us at legal@alpha-sense.com.

Changes to This Privacy Notice

We reserve the right to update this Privacy Notice at any time, and we will provide you with a new Privacy Notice when we make any updates. If we would like to use your previously collected personal data for different purposes than those we notified you about at the time of collection, we will provide you with notice and, where required by law, seek your consent, before using your personal data for a new or unrelated purpose. We may process your personal data without your knowledge or consent only where required by applicable law or regulation.

Contact Us

If you have any questions about our processing of your personal data or would like to make an access or other request, please contact legal@alpha-sense.com. If you are unsatisfied with our response to any issues that you raise, you may have the right to make a complaint with the data protection authority in your jurisdiction by contacting the data protection authority.
